Carbondale, PA 18407

Dear Mrs. Lee:

Thank you for your donation to the Committee to Restore Carbondale City Hall. The generous contributions of civic-minded citizens, such as yourself, truly help to guarantee the future of the city of Carbondale.

During the current membership drive, the Committee hopes to be able to raise the funds necessary in order to have the roof on the south side of the two-story wing (erected in 1859) and the roof on the clock tower (erected in 1892-1894) of Carbondale City Hall repaired before the arrival of Winter 1982. If sufficient funds are raised, the Committee will have the exterior masonry of Carbondale City Hall cleaned, repaired and repointed this year.

The Committee meets biweekly in Council Chambers in Carbondale City Hall. The next meeting will be on September 25th, at 10 A.M., at which time a "Carbondale" historical marker will be installed next to Carbondale City Hall and formally dedicated. You are cordially invited to attend.

Sincerely yours,

S. Robert Powell
President
